

THE MARTIN LANDSCAPE MESSENGER

GIVING BACK FOR THE HOLIDAYS, FROM MARTIN LANDSCAPE

The holidays are an important and special time for us here at [Martin Landscape](#). It's important to give back during the holidays and we want to do our part this year. Our special charity program this year will be the first annual "Christmas Trees for a Cure!" We are offering to pick up your old Christmas trees while our crews make their scheduled maintenance visit, and in return, we simply ask for a \$5 minimum donation that will be given to the [American Cancer Society](#).

We are dedicated supporters of the [American Cancer Society](#) and [Carolina Hospice](#) in their daily efforts to find a cure for cancer. For more information visit www.carolinahospicecare.com or www.cancer.org

Your donations will help make a difference and we, along with both charitable organizations, look forward to receiving your support. We hope to make this a successful event and something to carry on for years to come.

On Monday, December 7 at 6:30 p.m. we will also be taking part in the annual "Festival of Trees" at the former Green Street Gym and current Lind Brown Center. The "Festival of Trees" also supported by Carolina Hospice and their great efforts. Christmas trees will be on display and decorated in different themes and then auctioned off to the public. All proceeds go toward the "Festival of Trees" efforts. We have taken part of this event for 3 years now and always enjoy putting together a great theme! Contact our office any time for any

questions about our promotions and we will gladly help in making this a truly great holiday season.

We ask that you contact Matt at our office if you would like to have your Christmas tree scheduled for pick up and help support the cancer research cause. We will accept checks made out to the [American Cancer Society](#), or directly to [Carolina Hospice](#). Simply contact us at the office for any questions or additional options of payment. We thank you all for your support!

CREWS GET A NEW LOOK

You may have noticed that both our Maintenance Division and Installation Division have received a small make over in their daily uniforms. We just signed on with Cintas uniforms and they have put together a great product for our crews. Members of our team will always be presented in these uniforms ready to provide you with the service that you need!

SEASONAL COLOR ARRANGEMENTS

Now is the time of year to install your fall seasonal color arrangements. A lovely arrangement of Pansies, Violas, Mums, Cabbage, and Kale can really accent your yard and create a warm inviting feel to your home especially for the holidays!

Seasonal color is great for occupying any negative space that your yard may possess. With the right steps these flowers can flourish and grow together to really form a beautiful appearance. We would be more than happy to set up a free consultation with Justin Martin who is in charge of all seasonal color arrangements throughout the year. Justin can provide you with the professional expertise and advice as to where color should be installed and what would be the best fit for your yard! Call the office today for pricing details, arrangements, etc!
